

SAVILLE YOUNG IV

WAREHOUSE | PRODUCTION | MANUFACTURING | GENERAL LABOR

Spanish Fork, Utah | 385-447-8153 | eddiebones@gmail.com | iamsavillion.com

PROFESSIONAL SUMMARY

Production and warehouse worker with more than 10 years of hands-on experience in manufacturing, food production, material handling, and general labor. Experienced with automated casers, palletizers, pultrusion equipment, mixing operations, assembly, packaging, order picking, quality checks, sanitation, and production troubleshooting. Adapts quickly to new job sites and works effectively in physically demanding, repetitive, and time-sensitive environments.

CORE SKILLS

Machine operation • Automated caser operation • Palletizing • Assembly • Order picking • Packaging • Material handling • Forklift operation • Equipment troubleshooting • Quality checks • Food production and sanitation • Equipment teardown and reassembly • Hand tools

RELEVANT EXPERIENCE

Tony's Window Cleaning and Lawn Care | Lawn Care Specialist and Window Cleaning Assistant

Mapleton, Utah | [Month Year - Month Year]

- Performed mowing, weeding, leaf removal, and other routine lawn-care work at customer properties.
- Assisted with residential and commercial window cleaning while maintaining efficient, self-directed work habits.

Spherion at Nestle | General Laborer and Machine Operator

Springville, Utah | April 2022 - November 2024

- Measured, mixed, and moved ingredients to assigned production areas while keeping work flowing on schedule.
- Operated automated casers and palletizers and supported linen-room, sanitation, and logistics functions.
- Followed safety, consistency, and quality requirements in a repetitive, time-sensitive production environment.

Little Giant Ladder Systems | Pultrusionist

Springville, Utah | April 2022 - November 2022

- Operated specialized pultrusion equipment used to produce fiberglass ladder rails.
- Diagnosed production issues during operation, completed real-time adjustments, and performed machine teardown and reassembly during repairs.
- Maintained steady output and quality because completed material moved directly into assembly.

RELEVANT EXPERIENCE CONTINUED

Northern Gold Foods | Mixer and Production Worker

Junction City, Oregon | November 2021 - March 2022

- Measured and mixed bulk ingredients according to production requirements and supported wrapping, casing, and palletizing work.
- Completed full equipment teardown, sanitation, and reassembly in accordance with food-safety procedures.
- Maintained accurate batch preparation and consistent product handling across multiple production areas.

Pierce Fittings | Assembler

Eugene, Oregon | October 2018 - November 2019

- Assembled and packaged manufactured parts while following production and quality expectations.
- Assisted the galvanizing department with coating and finishing work when additional staffing was needed.

Elwood Staffing | Warehouse and General Labor Assignments

Various locations | [Month Year - Month Year]

- Completed assignments involving warehouse operations, packaging, order picking, and general labor across multiple industries.
- Adapted to different job sites, procedures, and production expectations through temporary assignments.

Express Employment Professionals | Warehouse and Industrial Assignments

Various locations | [Month Year - Month Year]

- Performed order picking, packaging, material handling, and general warehouse work for short-term industrial clients.
- Learned site-specific procedures quickly and supported changing production and staffing needs.

EDUCATION AND HANDS ON TRAINING

Landmark High School | High School Diploma | Spanish Fork, Utah | 2013
